

Lull Telehandler Parts

Lull Telehandler Part - Lull telehandlers have been providing precision load placement since the year 1959. Whether the job requires positioning heavy steel, landing loads on scaffolding or transferring loads, utilizing a Lull telehandler would really help make the job go faster and easier. These units are complete along with the patented Stabil-Trak stability system so as to ensure operator confidence.

The Lull horizontal load placement system supplies eighty inches of boom travel for precision placement capabilities. A wide range of optional attachments is obtainable for Lull telehandlers to help do whichever task.
